

4. Guard and Control Affairs:

I. Strengthen security facilities of guard and control of inmates.

Automatic digital video surveillance system

II. Inspection on the behavior of inmates.

III. Enhancing controllers' pre-service and service education: For the purpose of enhancing and maintaining the quality of guard officers, regular education, pre-duty education and disciplinary meetings are offered periodically.

Pre-duty education

Regular education of guard officers

IV. Thoroughly check to prevent the inflow of prohibited items.

Security check on guard officers

Security check at workshop

V. Think highly of inmates' feedback and strengthen bilateral communication.

Meal meeting to improve meals of inmates

VI. Annual organized fire, riot and other contingency exercises: Professional trainings such as fire-fighting, anti-escape and anti-riot response are held routinely.

Annual organized riot, fire exercises

Emergent medical response drill

VII. Close supervision of inmates with gangster background.

VIII. Co-inhabitation of inmates and families.

Living with families
