

March, 2024 Recreational Activity – A volleyball competition

🍀 Conquering Challenges: Triumphs on the Volleyball Court 🍀

On Mar. 14-15, 2024, a volleyball competition was held for the purpose of cultivating proper leisure activities for inmates, fostering cohesion, and enhancing teamwork spirit.

The competition was attended by 11 teams from each unit, totaling 87 participants engaging. All of them showcased remarkable skill performances and fluent coordination throughout the competition. While there were wins and loses, each participant gained valuable experiences and demonstrated sportsmanship, resilience from the matches. By conquering various challenges, the team from unit Three ultimately achieved championship with their tactical prowess and proficiency in passing, setting, and serving. Otherwise, the team from Woodworking class and unit Seven respectively secured the second and third places.
